

# Frontend Developer (m/f/d)

Berlin, Germany · Engineering

## DESCRIPTION

You are a technology nerd, entrepreneurship enthusiast and coder with heart? You have know-how in constructing, maintaining and scaling a an eco-system of Frontend applications? In addition, you are keen to solve current challenges faced by commercial banking? Great, we are looking for YOU!

We are a young, well funded FinTech in the heart of Berlin. Our goal is to help small-medium sized businesses to grow by improving and diversifying their financing opportunities in a smart, tech-driven way.

## REQUIREMENTS

### Your Profile

- 2+ years of experience as a Frontend developer, preferably in the field of startups
- Good tech skills, especially when it comes to topics such as JavaScript ES6 Frameworks (React 16, Redux), Webpack, REST, responsive web design
- Experience with agile processes (scrum, kanban)
- Hands-on, you are always on the lookout for the best solution - also if it requires independently diving into new topics
- You follow the latest technology trends and translate how these can help your team
- Fluent in English and German is a plus
- You are a self-starter and enjoy working in a team

### Your Challenges:

- Build UI applications using modern JS frameworks such as React, Angular, Redux.
- Contribute to developing new architecture of the frontend application
- Develop a responsive user interface while working directly with our Design team
- Prototype new concepts along with design and product management team
- Develop and maintain test suites
- Learn and share things you are passionate about

## **BENEFITS**

### **We offer you:**

- You get a unique opportunity to shape your own path - we truly look for driven individuals and we want you to grow as fast as possible
- Your responsibility grows in line with the company's growth
- You are part of the core team of young and talented characters in a beautiful, bright office right in the heart of Berlin
- We provide you with fresh bio fruits, snacks, coffee and beer in our giant kitchen
- We like to enjoy lunches together (did we mention our kitchen is huge?), play kicker, board games and go to meetups and team events regularly
- We reimburse your BVG-ticket so you can get to and from work free of charge
- We have German classes in the office and also pay for Udemy or similar courses so that you can improve your skills
- As physical activity is essential in staying active and creative, we subsidize your "Urban Sports Club" membership

Does this sound like an interesting challenge to you? If so, we look forward to your application
