

# Senior UX/UI Designer (m/w/d)

Berlin, Germany · Product Management

## DESCRIPTION

We are looking for a talented **Senior UX/UI Designer** with a diverse portfolio demonstrating mastery of craft and a track record of results: the design of engaging experiences that created positive outcomes for both the customer and the business. Your demonstrated skill set must span all areas of design: analysis of user needs, the architecture of layouts, flows and interactions, and detailed aesthetics for both written and visual content. You should shown ability to work directly with Product Managers and Engineers to prioritize, specify, and deliver user experiences.

## REQUIREMENTS

### Your responsibilities:

- Oversee and approve the creation of all wireframes, prototypes, user flow diagrams and interaction designs
- Identifying user needs and making proposals aimed at improving the user experience, conduct usability research activities
- Delivering concepts for new features and quickly evaluate them with customers through clickable prototypes
- Establish company design philosophy and methodology, champion it across different teams
- Update and actualize our Design Language System
- Setup and improve design process and collaboration with product and tech teams
- Guide, enable and develop our junior designer

### Your profile:

- Proven work experience as a UI/UX Designer or similar role for at least 3 years
- Strong team and project management skills with extensive knowledge in organizing design process
- Experience in product companies, ideally SaaS, B2B or FinTech startups
- Knowledge of design software like Sketch, Figma, Invision and Adobe Creative Cloud
- Up to date knowledge of user-centred design and best practice
- Extensive experience with web and responsive UX with a portfolio of executed projects and designs
- Knowledge in mobile would be a plus
- Team Player with strong communication skills to collaborate with various stakeholders
- Positive and hands-on attitude for solving problems proactively, creatively and effectively

## **BENEFITS**

### **We offer you:**

- You get a unique opportunity to shape your own path - we truly look for driven individuals and we want you to grow as fast as possible
- Your responsibility grows in line with the company's growth
- You are part of the core team of young and talented characters in a beautiful, bright office right in the heart of Berlin
- We provide you with fresh bio fruits, snacks, coffee and beer in our giant kitchen
- We like to enjoy lunches together (did we mention our kitchen is huge?), play kicker, board games and go to meetups and team events regularly
- We reimburse your BVG-ticket so you can get to and from work free of charge
- We have German classes in the office and also pay for Udemy or similar courses so that you can improve your skills
- As physical activity is essential in staying active and creative, we subsidize your "Urban Sports Club" membership

Does this sound like an interesting challenge to you? If so, we look forward to your application
